Please note that if the school is affected by extensive/prolonged school closures (e.g. due to bad weather) and where the school authorities consider other measures will not adequately address the loss of tuition involved, then the school authorities may decide to implement either or both of the following:

- **the February mid-term break may be reduced by up to three days at the beginning of the break**
- **the Easter break may be reduced by up to three days – the school may remain open up to and including Spy Wednesday**
