

DISCIPLINE POLICY

Philosophical Basis:

We believe that discipline plays an important role in shaping the life of the young person. We promote a school climate where students experience friendliness, co-operation and a positive attitude to learning. We encourage students to learn self-discipline and responsibility.

The rules are drawn up to:-

1. Protect a pupil's right to benefit from the School in a safe environment.
2. Be fair and just.
3. Help pupils to maintain high standards of behaviour.
4. Help pupils to acquire self-discipline.
5. Protect the property of the pupils and staff of the School.
6. Organise a large number of people so that the life of the School can operate smoothly and safely for the benefit of all.

SCHOOL RULES

1. A high standard of behaviour is expected from all students while in class, on corridors, at recreation, on School tours and at School functions.
2. Classroom Behaviour
Students/Teachers have the following rights and responsibilities in the classroom or online during Distance Learning/Blended Learning:
Rights:
 - To feel safe and secure
 - To learn/teach
 - To know the boundaries
 - To have an opinion
 - To make mistakes
 - To have time to listen, think, work
 - To be valued for their effortsResponsibilities:
 - To attend school and/ log on to classes on time
 - To be polite
 - To respect others
 - To protect the most vulnerable
 - To take responsibility for one's actions and belongings
 - To do one's best
 - To follow class rules
 - Be on time

- Have all necessary equipment for class
 - Listen attentively
 - Talk only when permitted
 - Follow instructions/requests of the teacher
 - If visiting another classroom - knock on door, acknowledge and address the teacher, leave quietly.
 - Follow the School's COVID 19 Response Plan
 - Adhere to all the rules and procedures necessary so that all Department of Education, HSE and Public Health Guidelines can be adhered to
3. Students are expected to show respect for their own, other students' public and School property. Students responsible for damage to any property may be required to pay for such repairs or replacement as may be necessary.

4. Regular and punctual attendance is essential. Section 18 of the Education Welfare Act states that parents/guardians must notify the Principal / Deputy Principal of the school of the reasons for a child's absence.

Procedures for parents/guardians informing the school of students' absences:

- a **written note signed by parent/guardian must be handed in, in advance**, for medical appointments or when a child has to leave early etc. during school hours. If a parent has to collect a child in an unforeseen circumstance, he or she must come to reception and sign out his/her child.
- a telephone call on the first day of the absence, indicating the likely duration of the absence and the reason(s).
- a **written note** to be presented at reception on the student's return to school stating the duration of the absence and the reason(s) for the absence.
- a significant absence due to illness will require a doctor's certificate.

The school will contact a parent when a student is absent without explanation. The parent is then expected to contact the school. If a parent fails to contact the school about the student's absence the Deputy Principal/Year Head will contact the parent.

A student who arrives late for School must first report to Reception, sign in the Late Book and may not go directly to class. Students must have a note from parent/guardian. Report cards may be issued to students who are frequently late without a valid reason.

5. All 1st Year, 2nd Year and 3rd Year students must remain on school grounds during Lunch Break with the exception of a small number of students who live in very close proximity to the school. Those students must present with a written note from parents/guardians at the start of the year if parents wish them to go home at lunch time. T.Y. /5th Year and 6th Year students can leave the school premises at lunch time with their parents' prior written consent. All students must remain on school grounds at the 11am break – both Juniors and Seniors. Students who leave the school at the 11am break without permission for any length of time will be dealt with under the Discipline Policy.

All 1st, 2nd, and 3rd Years who are dropped off before school in the morning via car/bus must remain on school premises following drop off. Breach of this rule will be dealt with under the Discipline Policy.

Students travelling by school bus should remain on school premises until transport arrives for collection in the evening.

6. School uniform must be worn on all School days.

Parents' co-operation is appreciated and expected in this matter. Students not wearing school uniform may be asked to wear a uniform given to them by a staff member or may be asked by Deputy Principal/Principal to go home to change. Any student refusing to wear the uniform may not go to class. Parents will be called to pick the student up/bring in his/her uniform for him/her to wear in school. Note that hoodies are not allowed on school grounds or in class. A student wearing a hoodie will be asked to remove it. The hoodie will be returned at the end of the school day.

(School uniform consists of white t-shirt with collar/shirt, crested school jumper - navy or blue – grey trousers for boys and navy-striped for girls. A school jacket or plain navy/black jacket without logo is the only jacket allowed to be worn.) Students who wear incorrect uniform will have to do a lunch-time detention on that day.

On days when students have P.E., they **must change back into uniform** following class.

Students are expected to be well groomed, neat and tidy. Students' general appearance must be appropriate to a school environment. This includes earrings (one pair allowed), hair, facial hair (students must be clean shaven) and make-up (if any, should not be excessive). Facial/body piercings other than earrings are not allowed.

This may include not being allowed to participate in school events (on or off premises)/trips/tours, etc.

The students' parents may be at the loss of any monies forfeited as a result of non-participation in tours, etc., following the imposition of sanctions.
